

Developing the NAN Housing Strategy: Community Housing Plan Development Workshops

Invitation to Apply

We are inviting all NAN First Nations to apply to host a "Community Housing Plan Development Workshop" to develop the NAN Housing Strategy and support self-determination in housing systems.

The workshop will be 2-3 day sessions focused on learning the values, goals and aspirations of all community members in relation to housing needs, experiences and designs. Host communities will also have information required to begin or support current housing systems and actions plans.

*All workshops will take place in
Fall - Winter 2019*

NAN will cover the costs of facility rental, food, prizes, as well as additional resources as required

For more information & to submit an application form, please contact Ashley Atatise, Housing & Infrastructure Projects Coordinator
